June 24, 2021

The 2020-2021 school year brought with it a bag of mixed emotions! The global pandemic brought numerous procedural changes to school policies and procedures, and it certainly weighed heavily on the mental and emotional health of students, teachers, families, and really everyone dealing with the Covid 19 dilemma. As so many things have been restricted, it is refreshing to know that many of the opportunities for our students were back in varying degrees this school year! Although the last year-and-a-half has brought many changes to our school, we have not changed our school's mission to give our students the most opportunities for them to succeed in life after they graduate from our halls. One of those opportunities is in athletics.

My name is Neil Schlieuwe. I am the Assistant Principal of HVL and a Varsity baseball head coach. Both of my children have attended HVL and were 3-sport athletes, so this is a particularly important part of our school's mission for me professionally as well as for my family in specific. Our school is a small private high school in Westland, MI. Although our school is in class D, we still compete in each of our sports seasons quite well. As I am sure you are aware, athletic programs do indeed cost money, and ours is no different. It is for this reason that we hold our annual Athletic Department Golf Outing each year to use the funds generated to support our student-athletes. Here is where I hope you can come in and lend your support to our student athletes.

This year's event is scheduled for Saturday, August 28 at Fox Hills resort. The success of our event depends on the generous support and donations of our HVL families, alumni, and local business leaders. Last year we had 76 golfers and generated a profit of just under \$8,000 which supported our men's and women's athletic teams. Would you be willing to sponsor or donate for our event this year? Despite the remnants of the global pandemic, we are looking forward to hopefully offering our student athletes the full complement of our sports seasons this next school year. Please consider how you could help make our

student-athletes enjoy this upcoming sports year. Opportunities exist in the following methods for your support:

1. Sponsorship of a hole (\$100), sponsorship of a contest hole (\$200), sponsorship of the bag lunch (\$300), sponsorship of the dinner following golf (\$500) or sponsorship of our golf cart rentals (\$1500).
2. Donations of prizes for contests or donations relating to your business that could be used for either a silent auction or a ticket raffle.

*** Please note that all donations are recognized in the event program handed out to every participant for recognizing your donation, as well as recognition in person on the day of the event during the post-golf reception, and recognition on our event webpage.

Please consider partnering with us to make our golf event and our upcoming year of athletics a successful one for each of our student athletes. Thanks for your consideration!

Sincerely,

Neil Schlieve - HVL Golf Event Coordinator / HVL Assist. Principal / Varsity Men's Baseball HC
